

24th February

Dear All,

We are changing the frequency of the regular PCR (Swab) testing to once per fortnight. Those who are doing LFTs, please continue as instructed with these regular tests.

We will continue to send the swab kits to the wards & night staff team for those on duty on the test dates below. If you are not on duty on the Sunday prior to or the Monday of the test dates, please ensure you come to St. Joseph's between **9am & 11am** on the following dates:

Monday 1st March

Monday 15th March

Monday 29th March

Any queries, please let me know.

Sue
